

# “Are You Prepared?”

- We have a smoke alarm on each floor of our home.
- We have at least one working flashlight in our house.
- We have at least one working battery-operated or crank radio in our house.
- We have emergency numbers posted by our phone.
- I know how to contact my parent(s) at work.
- My family practices how to evacuate/leave our home in the event of a house fire.
- My family has a meeting place outside of my home in the event we have to leave it.
- My family has an Emergency Survival Kit like the one we discussed last week.
- If my family had to evacuate our home because of a major emergency, we have somewhere to go outside of the community.
- My family has made plans for our pets in the event of an emergency.
